

**Appendix 6: Governance Indicators (as of March 2009)**

*This table lists Canadian provincial freshwater governance indicators.*

AGENCY	INDICATOR	DESCRIPTION
<b>FEDERAL LEVEL</b>		
None found		
<b>PROVINCIAL LEVEL</b>		
Alberta Environment	Watershed Organisations (Stewardship)	This indicator shows the number and location of various watershed groups. (Local groups are involved in raising awareness and promoting good stewardship of their local lake or river. Stewardship activities can include educational projects, data collection, implementing beneficial management practices around water bodies, or undertaking "state-of-the-basin" reports or water management plans.)
Saskatchewan Environment	Number of system owners that publicly release water quality results	Citizens have meaningful access to information about the quality of their water:
	Number and average duration of visits to the <a href="http://www.saskh2o.ca">www.saskh2o.ca</a> website	Professional regulatory staff has access to the tools necessary to ensure compliance
<b>COMMUNITY LEVEL</b>
