

# Water Security in Canada

- How secure is Canada's water?
- What are the greatest threats we face?
- What should be our priorities for management and conservation?

**Join the University of British Columbia's Program on Water Governance at a panel event exploring Water Security in Canada.**

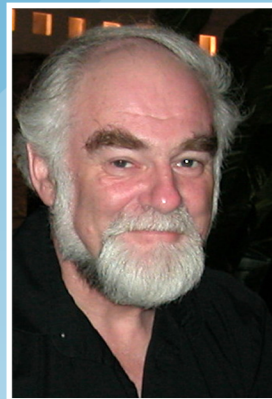

Prof. Howard Wheeler  
Global Institute for Water Security, University of Saskatchewan

Dr. Judy Isaac-Renton  
Public Health Laboratory at the BC Centre for Disease Control

Prof. Tom Pedersen  
Pacific Institute for Climate Solutions, University of Victoria

Prof. Gordon Young  
UN World Water Assessment Program

Prof. Karen Bakker  
University of British Columbia Program on Water Governance

Prof. Mike Church  
University of British Columbia

**Invited experts will explore these questions, and present views on current and future water issues in Canada.**

**The presentations will be followed by a moderated discussion with audience members.**

**Water Security in Canada is a free event open to the public.**

**Friday February 17th  
7:30 – 9:30pm**

**Vancouver Convention Centre  
West Building, Room 109**
